

**REMARKS/ARGUMENTS**

1. Claims 1-15, 17-24, and 26 were pending in the application. The Examiner indicated that claims 1-15 and 17-23 are allowable, but rejected claims 24 and 26 under 35 U.S.C. 102(b) as being anticipated by O'Brien.
2. Claim 24 has been amended to require that each box suspension include a diagonal brace. Such diagonal braces are clearly not disclosed or suggested by O'Brien.
3. All pending claims, as amended, are believed to be in a form suitable for allowance. Therefore, the application is believed to be in a condition for allowance. The Applicant respectfully requests early allowance of the application. The Applicant requests that the Examiner contact the undersigned, Jeffrey T. Klayman, if it will assist further examination of this application.
4. The applicants do not believe any extension of time is required for timely consideration of this response. In the event that an extension has been overlooked, this conditional petition of extension is hereby submitted, and Applicants request that deposit account number 19-4972 be charged for any fees that may be required for the timely consideration of this application.

Date: February 16, 2006

Respectfully submitted,

Jeffrey T. Klayman
